Dear Pratibha chaurasiya,

We are delighted to extend this offer for you to join DevTech as a **Web Development** Intern. After reviewing your skills and potential, we are confident that you will make valuable contributions to our company while gaining meaningful professional experience.

As part of our team, your role will focus on completing the assigned tasks and contributing to the design, development, and enhancement of various projects. You will have hands-on opportunities to work on both front-end and back-end technologies, learn through experience, and actively participate in improving existing systems and solutions.

Your internship is set to begin on **Dec 7** and will run until **Jan 7**. This will be a remote internship. We value professionalism and dedication at DevTech. We expect you to adhere to company policies, complete assigned tasks diligently, and collaborate effectively with your supervisor and team members.

Sincerely,
DevTech Team
